MEMORANDUM FOR THE RECORD

SUBJECT: AEC ASCC #52, 101, and 105

1. ASCC #52 deals with photography.
ASCC #101 deals with Photographic Interpretation, still unformed.
ASCC #105 deals with Aerial Reconnaissance, still unformed.
2. On 18 May 1959 ASCC # 52 will hold its meeting [redacted] 25X1
ASCC #23 (pyrotechnics) will join them because the only problem in #23 25X1
at the present is night photo flares. [redacted] is going to
be the only Navy representative at this meeting.
3. At the meeting of ASCC #52 either 105 (air reconnaissance, all
sensors) will be formed as a separate committee, or it will be absorbed
into 52, or 105 will be formed and at a later date 52 will be absorbed
into it. ASCC #101 has not been formed to this date, and there has been
some rumor to the effect that photo interpretation may be absorbed by
either 52 or 105.
